 2 preceding the date of election; no member who is not eligible for election at the time of nomination
 3 shall be nominated for office. Members in good standing desiring to place their nominations for
 4 division officers may nominate by voice from the floor at the meeting at which nominations are being
 5 held; and those unable to attend the above meeting on account of being on vacation, sick, working, or
 6 on an outlying assignment may write their choice of nominations to the division secretary-treasurer,
 7 who will read same at the meeting.
- 8 (ii) The secretary-treasurer of each division shall post a notice at terminals and on Rail Conference
 9 bulletin boards at least thirty (30) days prior to the meeting at which nominations are to be held, such
 10 notice to state the time, date, place and purpose of such meeting.

- 13 b) A member who is eligible may be nominated though absent from the meeting; but such nominee shall

 15 should he desire to do so.
- 16 c) A member who is present, eligible and nominated at the division meeting at which nominations are
 17 held may decline to accept such nomination at the time of being nominated or may do so by
 18 submitting to the secretary-treasurer of the division, within five (5) days thereafter, a written request
 19 that his name be stricken from the ballot.
- 20 d) A member may not accept nomination for two (2) or more offices that cannot be held simultaneously.
 21 In the event he is nominated for more than one (1) of such offices, he must select the office for which
 22 he wishes to stand as a candidate.
- 23 e) In the event of irregularities in the nomination of officers, protest must be filed in duplicate with the
 24 Rail Conference President within fifteen (15) days after alleged violation. The Rail Conference President
 25 will conduct an investigation and render a decision. Any member dissatisfied with such decision may
 26 appeal such decision, within thirty (30) days to the Executive Board, whose decision shall be final and
 27 binding.

SECTION 8**ELECTION - HOW CONDUCTED**

- 28 a) Not less than fifteen (15) days prior to date of election in divisions, the secretary-treasurer shall deliver
 29 to each member of his division, by government mail, directed to his last known address, a ballot
 30 together with two (2) envelopes, one (1) of approximately 3-1/2 x 6-1/2 inches and one (1) of
 31 approximately 4 x 9-1/2 inches. The ballot and return envelopes must also be accompanied by written
 32 notice of time, date, place and purpose of the election. The smaller envelope shall be for the purpose
 33 of containing the voted ballot and should be sealed and placed within the larger envelope for return of
 34 the ballot. The larger envelope must contain space for the member's name and return address, must
 35 have first-class postage affixed thereto, and must contain the division number and address of a post-
 36 office box, which must be rented for the election by the secretary-treasurer of the division. The
 37 contents of the post-office box must not be accessible to any officer or member until the ballots are
 38 picked up on the date of the election. If a post-office box is not available, the division will determine an
 39 alternative method of receiving, securing and delivery of the ballots.
- 40 The ballot is to be filled out by the member in whose name it is to be voted, naming his choice for
 41 officers, which, however, need not be confined to nominees. The completed ballot must then be folded
 42 and placed in the small envelope that is provided for that purpose. The small envelope must then be
 43 sealed and placed in the larger envelope, upon which the member will clearly mark his name and
 44 return address before placing same in the government mail for delivery to the post-office box
 45 designated thereon.

- 1 Immediately prior to the election and following the date designated for the return of the ballots, the
2 secretary-treasurer and president, or another member designated by the president of the division, shall
3 go to the post office and remove the envelopes containing the ballots from the post-office box. They shall
4 then be delivered intact to the meeting at which the election will be held. It will be the privilege of any
5 member of the division, upon proper application to these officers, to accompany the secretary-
6 treasurer and president (or his designated representative) to the post office for the purpose of
7 observing this procedure.
- 8 When the election begins, the envelopes containing the smaller ballot envelopes will be opened by the
9 board of tellers, at which time a determination will be made as to the right of each member to vote on
10 the various offices. The smaller envelopes containing the ballots may be marked prior to the time they
11 are opened at the discretion of the board of tellers, or the smaller envelopes containing the ballots may
12 be placed in stacks designating the status of the member voting the ballot.
- 13 Each candidate or his representative may observe the work of the board of tellers by standing not
14 closer than five (5) feet from the table at which the ballots are counted. These observers shall not
15 interfere with the work of the board of tellers and must address any remarks pertaining to the counting
16 of the ballots to the division secretary-treasurer, who will convey such inquiries or remarks to the
17 board of tellers. They shall be required to refrain from conversation except as herein provided.
- 18 b) Each division shall be permitted to prepare its own ballots, following a form that will be furnished by
19 the Rail Conference.
- 20 c) The division, previous to each election of officers, shall elect by a ballot a board of tellers, unless
21 appointed by the president with the unanimous consent of the members present, composed of three
22 (3) non-nominees, if available, from the members present at the meeting at which election is held,
23 who, in company with the secretary-treasurer, shall act as tellers at such election of officers; and when
24 ballot is presented, they shall announce in open division in whose name the ballot is voted. The
25 secretary-treasurer's duty in assisting the board of tellers shall be to give the financial standing of the
26 member when the name of the member voting the ballot is announced and designate honorary
27 members. Further than this, he has no duties while ballots are being counted.
- 28 d) The tellers shall make an exact return of the total number of votes cast for each person voted for and
29 announce such return to the president, who shall thereupon declare the result; no unsealed ballot shall
30 be counted unless the member voting it is present. Member who receives the largest number of votes
31 cast for any office in a division shall be declared duly elected thereto.
- 32 A copy of the exact return with the total number of votes cast for each candidate must be forwarded to
33 the Rail Conference President within five (5) days of the completion of the election.
- 34 e) The candidate receiving the highest number of votes shall be declared elected if eligible. Should an
35 equal number of votes have been cast for two (2) or more members for any office, the tie shall be
36 decided by another election for that office, the tied members being the only candidates.
- 37 Where a nominee or non-nominee is elected to an office to which he is ineligible, votes cast for him
38 should not be counted; and the nominee or non-nominee who is eligible to serve in that office that
39 receives the next highest number of votes is declared elected.
- 40 Where a nominee or non-nominee is elected to an office and eligible to serve but resigns or refuses to
41 accept the election, a vacancy is created; and it will be necessary to hold a special election to fill the
42 office as per Section 20 – TCRC Division Rules.
- 43 f) Every member elected to an office shall be entitled to fill the same, providing he is eligible under the
44 law, unless it be shown that the law was clearly violated in the manner of holding it or that the
45 results were fraudulently obtained. The fact that any member or members may be ineligible or
46 erroneously declared elected shall not affect the rights of those who are eligible and duly elected, nor
47 be a sufficient reason for setting an entire election aside and ordering a new one.

- 1 g) In the event of any irregularities in the election of officers of a division, resulting in a contest of
 2 election, the protest must be filed in duplicate with the division and the Rail Conference President
 3 within thirty (30) days after such election. The Rail Conference President will conduct an
 4 investigation to obtain the facts and evidence and render his decision accordingly. Any member who
 5 is dissatisfied with the decision of the Rail Conference President may appeal such decision within
 6 thirty (30) days to the Rail Conference Executive Board whose decision shall be final and binding.
- 7 **h) In elections for Local Committee of Adjustment, only members holding seniority in a**
 8 **craft under the jurisdiction of the Local Committee of Adjustment shall be eligible for**
 9 **election to the Local Committee of Adjustment. Members in service (working) under the**
 10 **jurisdiction of such committee will be notified of such election and permitted to file or**
 11 **sign nominating petitions and vote.**

SECTION 9**BALLOTS SEALED AND PRESERVED**

- 12 a) The ballots and envelopes shall be sealed by the board of tellers in the presence of the division and,
 13 together with all other records pertaining to the election, will be placed among the private papers of
 14 the division and, if practical, in the division room until the next election, where they shall be destroyed;
 15 but in no case shall they be held for less than one (1) year.
- 16 b) The ballots cannot be unsealed without first having submitted a resolution to the division at a regular
 17 meeting thereof, at which it must be stated why it is desired to have them opened; said resolution to
 18 lie over until the next regular meeting of the division before action is taken by a majority vote, unless
 19 the division is ordered to unseal the ballots by the Rail Conference President or his representative.

SECTION 10**INSTALLATION OF OFFICERS**

- 20 All officers of divisions, except officers who are elected to succeed themselves, shall be installed at the
 21 first meeting in January following election of officers.

SECTION 11**PRESIDENT'S DUTIES**

 29 special meetings and must call a special meeting when request is made, in writing, by five (5) or
 30 more members. All names of the members requesting the special meeting must be printed and their
 31 signatures applied to the request. The signatories of the request must be in attendance at the
 32 special meeting for the division president to call the assembly to order. Such request must state the
 33 object for which the meeting is called, and no other business shall be transacted at such special
 34 meeting. Upon receiving a written request from five (5) or more members, the president shall
 35 instruct the secretary-treasurer to post notices at terminals and on Rail Conference bulletin boards.
 36 Notices must be posted at least five (5) days prior to the time a special meeting is scheduled.
- 37 c) When the president is notified of the failure of the secretary-treasurer of his division to make a
 38 prompt monthly dues report to the GCA, as per Section 13(b) – TCRC Division Rules, it shall be the
 39 duty of the president to contact the secretary-treasurer and instruct him to promptly make such
 40 report. Continued failure on the part of the secretary-treasurer will subject him to removal from
 41 office, with the president to prefer charges against him in accordance with Article XIX, Section 1(a) of
 42 the IBT Constitution. A copy of the letter of notification is to be sent to the secretary-treasurers of
 43 the general committee and the legislative board representing the division.

- 1 d) The President shall cast the deciding vote in the case of an equal vote on matters coming before the
2 division except in the case of a tie in a referendum or in the election of officers. Breaking of a tie in
3 the election of officers is provided for in Section 8(e) – TCRC Division Rules.

6 times endeavour to build up and retain the membership of his division.
- 7 f) The President may speak on points of order in preference to other members of the division, rising
8 from his seat for the purpose, and shall decide questions of order subject to an appeal to the division
9 by any two (2) members. On such an appeal no member shall speak more than once.
- 10 g) When an appeal is made from the decisions of the president, the president shall put the question
11 thus: "Shall the decision of the chair be sustained?"
- 12 h) It shall be the duty of the president and the privilege of any member of the division to call a member
13 to order who violates an established rule of order.
- 14 i) The president shall be the principal officer of the division.

SECTION 12**VICE PRESIDENT'S DUTIES**

17 be absent, the division shall elect a temporary president from the members present. The vice president
18 shall serve as an alternate to the president and assume the duties of that office in the event it becomes

SECTION 1 GENERAL COMMITTEE OF ADJUSTMENT - HOW ORGANIZED

1 On any system of railway where two (2) or more divisions are organized, there shall be a standing
2 general committee of adjustment whose members shall be elected triennially at the regular division
3 election. On any line or system of railroad under or controlled by one (1) president or by an executive
4 committee under whom are one (1) or more presidents or managers, where a railway or branch
5 constitutes a separate department of the system and on which the Rail Conference has separate and
6 distinct schedules of pay, different from schedules in force on other parts of the system, such railway or
7 branch shall have the privilege of maintaining its own GCA. On railways or systems having an executive
8 committee, the GCA shall have power only to settle all differences that can by them be adjusted with any
9 and all officers of such railway or system subordinate to the president.

SECTION 2 GCA REPRESENTATION

- 10 a) Each division with twelve (12) or more active members paying GCA assessments on a railway or
11 system shall be entitled to one (1) representative and one (1) vote in the committee, unless otherwise
12 authorized by the GCA and the Rail Conference President; provided, however, that on a railway or
13 system where there is but one (1) division, the local committee will be the GCA; where there are two
14 (2) divisions, the division having the most members employed on such system shall have two (2)
15 representatives, and two (2) votes on the committee.
- 16 b) Each division having members employed on more than one (1) railway or system shall be entitled to a
17 member of the GCA on each system represented. The chairman of the local committee of adjustment
18 shall be a member of the GCA on the railway he represents; and only members employed on that
19 railway shall have a vote for their local committee, which vote shall be by secret ballot.
- 20 c) On short-line railways where the membership feel they will derive more economic and more efficient
21 representation by merging with the general committee of another railway, they may, by a majority
22 vote of the active membership casting a ballot, request the Rail Conference President to permit them
23 to merge with some other GCA of their choice (choice to be determined by majority vote). If, in the
24 opinion of the Rail Conference President, such merger would operate to the best interests of the Rail
25 Conference, he shall order the same to become effective on a specified date; provided, however, the
26 general committee with which the merger is proposed shall approve of the same by a majority vote in
27 accordance with Section 39(b) – TCRC GCA Rules.
- 28 d) In the event of such merger becoming effective, the so-called short-line railway shall be entitled to
29 representation on the merged GCA, as provided for in Paragraph (a) of this section.

SECTION 3 NUMBER OF ASSESSABLE DELEGATES

30 Any secretary-treasurer of the division who fails to report to the secretary-treasurer of the GCA all
31 assessable members belonging to his division shall be expelled when found guilty after trial in accordance
32 with the provisions of Article XIX, Section 1 – IBT Constitution.

SECTION 4 WHEN TWO OR MORE GCAs ARE ORGANIZED, MAY CONSOLIDATE

- 33 a) (i) On any system or railway having one (1) or more general managers under one (1) executive officer
34 or president, where two (2) or more GCAs are organized, they can merge into one (1) GCA, provided a
35 two-thirds (2/3) majority of the GCAs of the territory affected so decide. Such mergers of GCAs shall
36 not become effective until after the expiration of sixty (60) days and no appeal from the action has
37 been made. If an appeal is made within sixty (60) days of such action of GCAs, the question shall be
38 referred to the membership on that portion of the system from which appeal is made; and unless a
39 majority of the members on such portion of the system vote to merge their GCAs, their individual GCA
40 shall continue as heretofore.

- 1 (ii) Upon effecting such merger, officers of the merged general committee shall be elected as provided
2 in Section 9 – TCRC GCA Rules.
- 3 b) After the merger is consummated, the general chairman may at any time convene only that portion of
4 the GCA that is under the jurisdiction of the general manager of the territory affected.
- 5 c) In the event a GCA on any small railway or system desires to merge with the GCA under the same
6 general manager or one (1) executive officer or president, and said GCA is not agreeable to such
7 merger, the request with all facts in connection therewith will be referred to the Rail Conference
8 President who, in conjunction with the Rail Conference Executive Board, will make a recommendation
9 to the IBT General President, who will decide the matter, subject to appeal under applicable provisions
10 of the IBT Constitution.
- 11 d) However, in the event the Rail Conference President has reason to believe that the merging of a small
12 GCA would be in the best interest of the members, he shall forward the request with all facts in
13 support of his position to the affected general committees, requesting they voluntarily agree to the
14 merger. The final decision will rest with the affected members of the involved committees as per
15 Section 4(a) above.

SECTION 5 DIVIDING A GENERAL COMMITTEE OF ADJUSTMENT

16 The dividing of a consolidated GCA should be promulgated, if at all possible, at the consolidated GCA
17 regular session. When it appears necessary or desirable to divide a GCA on any line or system of railway
18 under or controlled by one (1) president or by an executive committee under whom are one (1) or more
19 presidents or managers, where a railway or branch constitutes a separate department of the system and
20 on which the Rail Conference has separate schedules of pay, such railway or branch shall have the
21 privilege of withdrawing from the consolidated GCA and form a separate GCA; provided, after one (1)
22 year from their last regular session, a majority of the active membership casting ballots in the division on
23 the territory that wish to withdraw so express by referendum vote.

SECTION 6 EXECUTIVE COMMITTEE - HOW FORMED

24 To form an executive committee, it will require a majority vote of all members of the GCA of the railway
25 or system affected. It shall consist of a general chairman, secretary-treasurer, and vice-chairman or vice-
26 chairmen, and such other members of the GCA, as the general committee deems advisable.

SECTION 7 DUTIES OF THE EXECUTIVE COMMITTEE

27 Duties of the executive committee shall be to adjust only subjects referred to it by action of a majority of
28 the full GCA.

SECTION 8 GCA MEETINGS

- 29 a) It shall be the duty of the GCA of each system to meet triennially after the triennial election of the
30 division, unless the GCA has adopted a resolution to meet quadrennially (once each four (4)-year
31 period), at such time and place as may be determined by the chairman and secretary-treasurer, or by
32 a majority of the divisions, and adjust the differences existing on the systems.
- 33 b) (i) At any time between regular sessions, should a majority of the divisions on a system instruct the
34 chairman to convene the GCA, he shall do so without delay. Should said general chairman refuse or
35 neglect to do so, the Rail Conference President shall be empowered to suspend said general chairman
36 from office pending trial.
- 37 (ii) The Rail Conference President will assign a Rail Conference officer to the property with instructions
38 to convene without delay said GCA and preside over same. All expenses incurred by so doing shall be
39 borne by the GCA on the property where the violation occurs; and the general chairman so offending,
40 if found guilty by a majority of the members of the GCA after having been served with written specific

- 1 charges, given a reasonable time to prepare a defence and afforded a full and fair hearing, shall be
2 penalized as per Article XIX – IBT Constitution.
- 3 c) In case of an emergency, the chairman is empowered to convene the GCA when, in his judgment, it is
4 necessary.
- 5 d) At all such meetings, as soon as each division has presented and discussed grievances and, if a regular
6 meeting, the officers have been elected, the GCA may reduce to an executive committee, elected by
7 the GCA.

SECTION 9**GCA ELECTION OF OFFICERS**

- 8 a) The chairman, vice-chairman or vice-chairmen, and secretary-treasurer of the GCA will be elected after
9 the officers have made their report and each division has presented and discussed its grievances and
10 before reducing to an executive committee. Chairman and vice-chairman or vice-chairmen shall hold
11 active membership as defined in Section 25(b) – TCRC Division Rules.
- 12 Note: *Eligibility to nominate, second and run for office will be determined by the applicable provisions*
13 *of the IBT Constitution as set forth and modified in Paragraph 6.8 of the Merger Agreement.*
- 14 b) At the regular election of officers of the GCA, a majority of the ballots cast shall be required for
15 election. If after fifteen (15) ballots have been taken and no candidate has received a majority of
16 votes cast, the names of two (2) candidates receiving the highest number of votes shall be arranged
17 alphabetically on the ballot and submitted to a secret referendum vote of the active membership of the
18 system within thirty (30) days. The candidate receiving the highest number of votes will be declared
19 elected.
- 20 c) (i) Where there are two (2) divisions on a system, each division will nominate its candidate or
21 candidates for the office of general chairman.
- 22 (ii) The secretary-treasurer of each division will notify the secretary-treasurer of the GCA of the names
23 of the candidates, who in turn will furnish a list of names of candidates of both divisions for office of
24 general chairman to the respective secretary-treasurers of the two (2) divisions; the names of the
25 candidates for office of general chairman will then be placed on a separate ballot and sent out to
26 members affected, with the regular division ballot.
- 27 (iii) Upon the completion of the election of officers in the division, the secretary-treasurer of each
28 division will notify the secretary-treasurer of the GCA of the number of ballots cast for each candidate
29 and the name of the candidate who received the majority of votes. The secretary-treasurer of the GCA
30 will then notify the secretary-treasurer of each division of the name of the successful candidate for the
31 office of general chairman, with the tabulation of votes cast by each division for candidates for that
32 office. In case no candidate receives majority of votes cast, Paragraph (b) will apply.
- 33 d) In the event a majority of the delegates of a GCA are so instructed by the division they represent, the
34 general chairman will be elected by a secret referendum vote of the active membership on the system.
35 The candidate receiving the highest number of votes will be declared elected.

SECTION 10**CHAIRMAN MAY BE MADE SALARIED OFFICER.**

- 36 a) The chairman of the GCA shall be made a salaried officer if so decided by a majority of all votes cast
37 by members paying GCA assessments in a secret referendum vote on the system. Such salaried
38 chairman must be in active service as defined in Section 25(c) – TCRC Division Rules at the time of his
39 election.
- 40 b) The position of salaried chairman shall be abolished, provided such action is carried by a majority of all
41 the votes cast by members paying GCA assessments on the system or unit in a secret referendum

- 1 vote; such vote to be taken at the request of one-fourth (1/4) of the divisions on the system or unit. A
2 vote once taken and decided cannot be renewed for one (1) year.
- 3 c) In taking a referendum vote to place a general chairman on a salary in accordance with Paragraph (a)
4 or to abolish the salary of a general chairman in accordance with Paragraph (b), the ballot will be
5 prepared by the general chairman and secretary-treasurer; and sufficient ballots will be sent to each
6 division's secretary-treasurer to vote the membership paying GCA assessments. The ballots must be
7 returned to the division secretary-treasurer either in person or by government mail. After ballots are
8 voted, each division will count and tabulate the votes cast and forward same to the General Secretary-
9 Treasurer of the GCA, who will notify each division of the result of the vote.

SECTION 11**GENERAL CHAIRMAN'S DUTIES**

- 10 a) A salaried chairman shall devote his whole time to the interests of the members on his system and visit
11 the divisions. Any chairman of the GCA, when called upon by one (1) or more divisions on his system,
12 shall be empowered in conjunction with the local committee to adjust, if possible, any differences that
13 may arise between members and their employers without convening the GCA. Failing, he may notify
14 the Rail Conference President of the facts in detail and call upon him for assistance. Receiving such
15 call, the Rail Conference President will assign a Rail Conference vice president; or he may authorize the
16 general chairman to represent him. The general chairman will not, however, vote the active members
17 or withdraw them from the service without permission from the Rail Conference President. In case the
18 local committee cannot be convened readily, the chairman shall have the power to select one (1) or
19 more members to assist him.
- 20 b) It shall be the duty of the general chairman to convene the GCA in accordance with Section 8 – TCRC
21 GCA Rules and to preside over the meeting while in session. He will make a report to the committee in
22 session of items not completed and carried out from the last session of the committee. He shall render
23 to each division on the system a report at the end of each quarter and send to each division and each
24 local chairman a copy of the rulings and interpretations of the schedule under which they are working;
25 and at the close of the year, he will render an annual report to the Rail Conference Office, the expense
26 of same to be paid out of the funds of the general committee. He may fill the president's chair when
27 visiting the divisions on the system. He shall be paid for his services by an assessment on all active
28 members on the system (as provided in Section 36 – TCRC Division Rules), provided that such
29 assessment will be in effect only until the next session of the GCA, at which time it will be continued,
30 discontinued or revised.
- 31 c) The general chairman shall have authority to review the books of any or all divisions within his
32 jurisdiction when, in his opinion, it is desirable to do so.
- 33 d) The general chairman shall be bonded in accordance with Article X, Section 7(a) of the IBT
34 Constitution.
- 35 e) The general chairman shall be recognized as the GCA between meetings of that body; and his decision
36 on all matters within the scope of authority of the GCA shall be made effective subject to appeal in
37 accordance with the provisions of Sections 24 and/or 25 – TCRC GCA Rules, except for matters
38 specifically stipulated in Sections 30 and 31 – TCRC GCA Rules.

SECTION 12**DUTIES OF THE VICE-GENERAL CHAIRMAN, GCA**

- 39 a) The vice-chairman shall assist the general chairman when called upon to do so and, in the absence of
40 the general chairman, shall fill that office in accordance with the bylaws of the GCA. In the event the
41 office of general chairman becomes vacant through death or otherwise, he shall fill the office until a
42 successor has been duly elected in keeping with the laws herein provided for or by the bylaws of the
43 GCA.

- 1 b) In the absence of GCA bylaws to govern, the vice-chairman shall convene the committee within thirty
2 (30) days for the purpose of electing a chairman, unless such vacancy occurs within six (6) months of
3 the regular date of convening said GCA.

SECTION 13**DUTIES OF THE SECRETARY-TREASURER, GCA**

- 4 a) The secretary-treasurer shall be bonded in accordance with Article X, Section 7(a) of the IBT
5 Constitution; and he shall notify the Rail Conference President when the general committee will
6 convene and the nature of the business to be transacted; he will furnish each division on the system a
7 copy of the minutes of each session of the GCA, which shall include the number of each division
8 represented, together with the assessable members of each.
- 9 b) The secretary-treasurer shall remit Rail Conference dues and assessments to the Rail Conference
10 Secretary-Treasurer and shall also remit division and legislative board assessments to the secretary-
11 treasurer of the division and the Provincial Legislative Board, respectively, on or before the 20th day of
12 the next succeeding month for which such dues and assessments are collected.
- 13 c) The secretary-treasurer shall render an annual financial itemized report of all receipts and
14 disbursements to each division, the general chairman and the Rail Conference President and at the
15 expiration of his term of office deliver to his successor all books, papers, files and funds of the GCA.
- 16 d) The secretary-treasurer shall furnish the Rail Conference President a copy of the minutes of each
17 session of the GCA. He shall in general be responsible to insure that the duties set forth in Article XXIII
18 of the IBT Constitution are fulfilled with respect to the general committee consistent with these bylaws.

SECTION 14**RAIL CONFERENCE PRESIDENT - CALLED BY GCA**

- 19 A GCA may call upon the Rail Conference President for assistance to dispose of any issue in dispute
20 between the general committee and its management, which has not been satisfactorily disposed of. If
21 such assistance is requested, it shall be given precedence over all other business; and the Rail
22 Conference President shall respond in person, at once, or send a Rail Conference vice president, who will
23 use all honourable means to make a satisfactory disposition of the dispute.
- 24 Except as provided in Sections 30 and 31 – TCRC GCA Rules, the Rail Conference President shall not be
25 empowered to assign a Rail Conference vice president to assist any GCA unless requested to do so by
26 said GCA.

SECTION 15**TRUSTEESHIPS**

- 27 The authority to place subordinate bodies into trusteeship and appoint trustees is vested in the General
28 President of the IBT under the provisions of Article VI, Section 5 – IBT Constitution subject to the
29 provisions of paragraph 6.11 if the Merger Agreement.

SECTION 16**AUTHORITY FOR TAKING STRIKE VOTE
AND WITHDRAWING FROM SERVICE**

- 30 a) In the event of a question of wages or other causes where the Rail Conference is likely to be involved
31 in an issue with a railway company or when a strike is in progress on any railway, no one will be
32 permitted to take an active part in the deliberations of any division while the question at issue is under
33 discussion unless he is in active service as a railway employee as defined in Section 25(c) – TCRC
34 Division Rules. The employees on every railway shall settle their grievances with their own GCA, if
35 possible. Failing to do so, they may call on the Rail Conference President who, in conjunction with the
36 majority of the committee, shall have full power to give permission to poll the railway; and after such
37 permission has been granted, the employees on the railway shall decide whether they will quit work or
38 not by a majority of the ballots cast by all the members employed on the system where the trouble
39 exists, except as provided in Section 16(b) below. Members belonging to divisions who are not

- 1 employed on the system where the trouble exists shall not be allowed to vote upon the questions in
2 controversy.
- 3 b) In cases where the best interests of the Rail Conference would be jeopardized by the delay incident to
4 the circulation of a referendum strike ballot, the general chairman, with the consent of the Rail
5 Conference President, may vote the GCA by the most convenient means available in lieu of the
6 circulation of a referendum to the membership.
- 7 c) If a majority of the membership casting a ballot on the railway or system or two-thirds (2/3) or more
8 of the members of the GCA vote in favour of a strike, the general chairman, with the concurrence of
9 the Rail Conference President, shall have authority to set a strike date and withdraw the members of
10 the railway or system from service.
- 11 d) In the event it is decided to use the economic strength of the Rail Conference, the Rail Conference
12 shall sustain the membership on the railway where the trouble exists. Should it be necessary, the
13 Executive Board of the Rail Conference shall be empowered to levy an assessment on the active
14 membership of the Rail Conference. Such assessment will not be effective beyond the next session of
15 the Rail Conference Convention, at which time it will be continued, discontinued or revised.

SECTION 17

MEMBERS PLACED ON PAYROLL

16 When a strike occurs on any railway, the secretary-treasurer of each division on the railway or railways
17 involved in the strike shall forward to the Rail Conference President a complete list of all members who
18 are to be placed on the payroll. It shall then be the duty of the Rail Conference President to secure such
19 help as may be necessary to enable him to pay promptly.

SECTION 18

AUTHORITY FOR DECLARING STRIKE OFF

20 On any railway where a strike is called or is in progress, the GCA on the railway involved, with the
21 concurrence of the Rail Conference President, shall have absolute power to declare the strike off. Should
22 the strike continue for ten (10) days or longer, the power to declare the strike off shall be vested in the
23 GCA on the railway or system, acting in concurrence with the Executive Board of the Rail Conference.

SECTION 19

GCA CONVENED BY THE RAIL CONFERENCE PRESIDENT.

24 When the GCA, on any railway or system, is convened on the authority of, or by, the Rail Conference
25 President, on matters of a general nature, the time and expenses of the committee shall be paid from the
26 general fund of the Rail Conference.

SECTION 20

MEMBERS MUST NOT SIGN CONTRACTS UNLESS AUTHORIZED

27 A member or members, other than the duly designated representative of the Rail Conference, are
28 prohibited from entering into any verbal or written agreements with any railway management involving
29 rates of pay, rules or working conditions of Rail Conference members. Any member violating this
30 provision shall, if found guilty after trial as per Article XIX of the IBT Constitution, be expelled from the
31 Rail Conference.

SECTION 21

COMMUNICATIONS - ILLEGAL

32 When any member or members of a division (except chairman of the local committee) take up directly
33 with the general chairman, verbally or written, any question where other members' interests are involved,
34 or ask for a ruling upon any question, the general chairman must refuse to grant such requests or ruling
35 until the proposition has been submitted to the division for their consideration. If carried by a majority of
36 the members present, the secretary-treasurer will furnish the general chairman all the facts in the case,
37 who will furnish the division with his ruling or interpretation, as the case might be.

SECTION 22 MEMBER OR OFFICER MAY BE EXPELLED FROM THE GCA

- 1 a) Any member of the GCA who, by act or word in the presence of any railway official, injures any matter
2 under discussion by the committee or executive committee, which has for its purpose the enforcement
3 of the GCA Rules of the Rail Conference, shall have written charges preferred against him in the GCA
4 or executive committee by the general chairman. If, after he has been served with written specific
5 charges and given a reasonable and fair hearing by the body before which such charges have been
6 preferred, a majority of the GCA or executive committee voting by ballot so decides (general chairman
7 to have the deciding vote in case of a tie), he shall be deprived of service on the same. The general
8 chairman shall then notify the president of the division that the deposed member represented, and the
9 president of the division may fill such vacancy by appointment promptly. If necessary, the general
10 chairman is authorized to fill the vacancy by interim appointment from the membership of the division
11 to which the deposed member belongs; and said appointee will serve until relieved by a delegate
12 appointed by the president or elected by the division as per Section 20 – TCRC Division Rules.
- 13 b) Any officer may be removed from office by a majority vote of the members of the executive
14 committee of the GCA for violation of any of the laws or rules of the Rail Conference committed in his
15 official capacity as a member of the GCA, if found guilty after having been served with written specific
16 charges, given reasonable time to prepare a defence and afforded a full and fair hearing under Article
17 XIX, Section 3 – IBT Constitution.
- 18 c) Any officer or member proven guilty under the above paragraph will be deprived from again holding
19 office in the GCA for a period of not less than three (3) years.

SECTION 23 GCA MAY MAKE ITS OWN RULES

20 The GCA shall make such rules or regulations as are deemed necessary for the proper adjustment of
21 differences on their respective systems. Such laws and regulations, however, must not conflict with the
22 laws of the International Brotherhood of Teamsters, Teamsters Canada, the Rail Conference or applicable
23 civil law.

SECTION 24 GCA DECISIONS STAND AS LAW

- 24 a) Any action taken by a general chairman or GCA shall stand as law for all members and divisions in the
25 territory over which the general chairman or GCA has jurisdiction, until repealed by the general
26 committee or in accordance with the provisions for appeals in Section 25 – TCRC GCA Rules. A copy of
27 all rulings shall be furnished to the vice-chairman, secretary-treasurer GCA, and to the secretary-
28 treasurer of divisions whose membership is affected.
- 29 b) A division, an active member or a group of members may appeal from a decision of the general
30 chairman made between sessions of the GCA to the general committee, provided such appeal is filed
31 with the general chairman thirty (30) days prior to the meeting of the general committee. Copy of such
32 appeal to be furnished the division or divisions affected.

SECTION 25 APPEAL MAY BE TAKEN

- 33 a) Any member or division in good standing may take an appeal to the active membership from a
34 decision of a general chairman or GCA. Such appeal must be made prior to the expiration of sixty
35 (60) days from the date of the said decision and must be voted on by the active membership on the
36 territory under the jurisdiction of the GCA involved.
- 37 b) To inaugurate an appeal, the appellant must first draw up a statement of facts addressed to the active
38 membership. This statement, together with a sample ballot, shall be submitted within said sixty (60)
39 day period to the general chairman for his examination and the opportunity of preparing a statement
40 defending the committee's decision. The appellant's statement of facts, the ballot in approved form

- 1 and the general chairman's statement in reply shall be returned without delay to the appellant. The
 2 appellant may add a rebuttal to the statement of the general chairman if he so chooses. The appellant
 3 shall, as soon as possible upon the return of the appeal from the general chairman, proceed with the
 4 printing of such appeal. The ballot shall set out the decision from which the appeal is taken, without
 5 any argumentation upon the part of the appellant or the general chairman. A copy of the printer's
 6 proof shall be forwarded to the general chairman for his approval. The general chairman shall
 7 immediately examine his statement and the ballot appearing in the printer's proof and, when satisfied
 8 as to their accuracy, shall return such appeal to the appellant for final printing, giving notice as to the
 9 quantity required. Each active member of each division under the jurisdiction of the GCA involved
 10 shall receive a ballot.
- 11 c) (i) The division shall, within thirty (30) days after receipt of the ballots, take a referendum vote of its
 12 active membership and advise the secretary-treasurer of the GCA of the result. Divisions meeting but
 13 once a month shall call a special meeting for the purpose of counting and tabulating the votes when
 14 necessary in order to carry out the thirty (30) day-limitation.
- 15 (ii) All ballots, including those improperly signed or for any other reason declared illegal, shall be
 16 forwarded to the secretary-treasurer of the GCA, together with a copy of the division tellers' report.
 17 The report shall show the number of votes cast by the active membership for and against the issue
 18 constituting the appeal and the number of ballots rejected as illegal. Every ballot declared illegal shall
 19 have the same written across the face thereof. The division must retain a duplicate copy of this report
 20 and a record made in the minutes of the meeting.
- 21 d) Upon receipt of the ballots and the reports from all the divisions, the secretary-treasurer of the GCA
 22 shall prepare a report showing the results of the balloting and forward the report, together with all the
 23 ballots, to the general chairman. Sufficient copies of the report from the secretary-treasurer of the
 24 general committee shall be prepared by the general chairman and forwarded to all the divisions in the
 25 territory involved. Such report shall show, separately, the number of votes cast for or against the
 26 appeal by the active membership of each division and the number of ballots ruled illegal. The result
 27 of a majority of the legal ballots shall be the decision of the active membership, and such decision
 28 shall be final and binding. The GCA shall be governed by the results of the referendum.
- 29 e) A time limit of one hundred twenty (120) days from the date of receipt of the appeal by the general
 30 chairman is hereby established, within which the requirements of this section must be completed.
 31 The time limit of one hundred twenty (120) days, as set forth herein, may be extended by mutual
 32 agreement between the parties affected.

SECTION 26**APPEAL TO THE RAIL CONFERENCE PRESIDENT**

- 33 No appeal from a decision of the GCA on a settlement will be entertained by the Rail Conference
 34 President, unless there was a violation of the law of the Rail Conference by such GCA.

SECTION 27**GCA - How PAID**

- 35 GCAs shall have power to fix the rate of pay for chairman and members serving on the committee, time
 36 allowed going to and from place of meeting to be computed by the GCA.

SECTION 28**EXPENSE OF COMMITTEE**

- 37 a) The expenses of members of a GCA when convened for any purpose, together with pay for time they
 38 lost in such service, shall be raised by an assessment on all active members of the Rail Conference
 39 employed on the system represented (except as provided in Section 35 – TCRC Division Rules); and
 40 the secretary-treasurer of the GCA shall have power when so ordered by the committee to levy such
 41 an assessment for the purpose of creating a fund to pay the members of the committee immediately
 42 after such session is over. All such assessments shall be levied by majority affirmative vote of the
 43 members of the GCA, or by majority affirmative vote of the members of the GCA casting a mail ballot

1 between sessions, and shall be effective only until the next session of the GCA, at which time it will be
2 continued, discontinued or revised.

3 b) The salary of the general chairman and the rate of pay and expenses paid to the members of the
4 general committee and legitimate expenses of the general committee shall be raised by an assessment
5 on all active members employed on the system represented. All such assessments shall be levied by
6 majority affirmative vote of the members of the GCA present at a session of the GCA, or by majority
7 affirmative vote of the members of the GCA casting a mail ballot between sessions, and shall be
8 effective only until the next session of the GCA, at which time it will be continued, discontinued or
9 revised. All members of the GCA will be required to pay GCA assessments in the amount determined
10 by the GCA, which shall be collected monthly and forwarded to the secretary-treasurer of the general
11 committee, who will pay the chairman's salary semi-monthly and all delegates for their services. Any
12 surplus remaining in the treasury shall be applied to the payment of the legitimate expenses of the
13 general committee.

14 Where a vice-chairman assumes the duties of the chairman on account of the absence of the
15 chairman, his salary shall not be more while he is occupying that position than the salary of the
16 general chairman.

SECTION 29

GCA AUTHORITY AND NEW BUSINESS

17 a) No new business will be entertained by a GCA unless records are sent showing that the division has
18 acted upon the merits of the question. A copy of the resolution sent to the GCA shall be sent to other
19 divisions interested upon receipt of same by the general chairman.

20 b) (i) The GCA shall have full power to settle all questions of seniority and rights to runs and jurisdiction
21 of territory that are presented to it; and its decision shall be final unless, on an appeal to the
22 membership, its decision is repealed by a majority vote.

23 (ii) Where there are only two (2) divisions on a system, they may appeal to the Rail Conference
24 President, whose decision shall be final, subject to appeal under applicable provisions of the IBT
25 Constitution.

26 c) To consolidate or divide the seniority rosters of members on one (1) or more seniority districts on a
27 system, a majority vote of the active members holding seniority and casting a ballot on each seniority
28 district affected must be obtained.

29 d) When a question of jurisdiction of territory or seniority arises between the members themselves or two
30 (2) or more divisions that cannot be amicably adjusted by such divisions, the question shall, with all
31 the facts in the premises, be referred to the GCA, which shall rule on the matter; and such ruling shall
32 stand as law, subject to appeal as per Section 25 – TCRC GCA Rules.

SECTION 30

AUTHORITY OF RAIL CONFERENCE PRESIDENT IN MERGERS, ETC. WITH PROTECTIVE AGREEMENTS

33 Note: *The term "Mergers, etc.," as referred to in subtitle and as hereinafter expressed in this section,*
34 *means - mergers, consolidations, coordinations, control, absorptions, diversions of traffic, purchases or*
35 *any other action whereby separate facilities or operations of railways are going to be unified.*

36 1. Mergers, etc.

37 When the Rail Conference President has sufficient information that a merger, consolidation, coordination,
38 control, absorption, diversion of traffic, purchase or any other action whereby separate facilities or
39 operations of railways are going to be unified, he shall immediately assign an officer for the purpose of
40 directing the committees in the handling to the best interests of the members involved.

1 A. Contracts

- 2 (i) There shall be a revision of the existing agreements on the properties involved which will have
3 for its purpose the consolidation of contracts covering the merged, etc. property.
- 4 (ii) The assigned officer, in conjunction with the interested general chairmen, shall represent all of
5 the committees in negotiations with the railway and/or railways.
- 6 (iii) Contracts shall be ratified by a majority vote of the active members casting a ballot.

7 B. General Committees

- 8 (i) The committees involved on the merged systems may be consolidated, if necessary, to meet the
9 representational requirements of the membership.
- 10 (ii) The officer assigned shall submit his recommendations to the Rail Conference President. If the
11 recommendation is to merge the involved committees, the Rail Conference President shall
12 forward said recommendation with all facts in support to the involved general committees. The
13 affected general committee(s) shall refer the question to the membership under their jurisdiction
14 by instructing each affected division to prepare a paper ballot to be delivered within sixty (60)
15 days to each member of the division, by government mail, directed to his/her last known
16 address. The ballot, with a large envelope, approximately 4 x 9 1/2 inches, which must contain
17 space for the member's name and address, must have first-class postage affixed thereto and
18 must contain the division number and address for returning the ballot. The ballot and return
19 envelope must also be accompanied with the written recommendation of the Rail Conference
20 President, the written recommendation of the affected general chairmen, and written instructions
21 showing purpose of the ballot, time, date and place for counting the ballots. The ballot shall also
22 contain a signature and date line, which must be signed and dated by the member. The return
23 envelope containing the ballot must be returned and postmarked within fifteen (15) days from
24 the postmarked date on the envelope sent to the member. The ballots shall be counted by each
25 division at the first regular division meeting following the date for return of the ballots. Each
26 division secretary-treasurer will notify the general chairman of the results from the ballots
27 received within ten (10) days. The affected general chairmen will forward this information to the
28 Rail Conference President and the other affected general chairmen, within thirty (30) days from
29 date received from last division reporting.

30 If the decision of the majority is to merge the committees in question, the Rail Conference President shall
31 notify the affected general committees of the decision and instruct the merged committees to meet
32 within ninety (90) days for the purpose of electing new officers, as provided in Section 9 – TCRC GCA
33 Rules, and conducting any business or grievance that may properly come before the body.

34 The new date to meet regularly shall be decided as per Section 8 – TCRC GCA Rules. If it is the decision
35 of the majority not to merge their GCAs, their individual GCAs shall continue as heretofore.

36 C. Divisions

- 37 (i) Representation

38 The general committee or general chairman and division or divisions affected shall, after the
39 determination has been made relative to a merged seniority district or districts, make a study of
40 the Rail Conference divisions in the affected area for the purpose of reducing, if possible, the
41 number thereof to only those necessary to maintain an efficient operation.

42 The general committee or general chairman and divisions affected shall give consideration to the
43 following points as a guideline for making such a determination:

- 44 (a) The number of members in a division.
- 45 (b) The location of the majority of the members' place of residence.

1 (c) The availability of the majority of the members to attend the division meeting place.

2 (d) The location of the operating division offices nearest the Rail Conference division.

3 Changes as referred to in the above paragraph shall not be put into effect by a general committee or
4 general chairman until the proposed changes have been submitted to the Executive Board of the Rail
5 Conference and approved.

6 (ii) Jurisdiction

7 Should it be, in the judgment of the general committee or general chairman and divisions
8 affected, that more than one Rail Conference division is necessary on a seniority district, and said
9 Rail Conference divisions have been set up, each division shall be given a definite territory by the
10 general committee and/or the general chairman.

11 Elections to all offices of each division shall be held immediately after they have been set up,
12 provided divisions have been merged or a new division has been created.

13 Should the GCA and divisions fail to reach an amicable agreement in the merging of and/or
14 creating a new division within sixty (60) days, the matter shall be referred to the Rail Conference
15 President who shall, upon receipt thereof, make an investigation of the facts within thirty (30)
16 days, after which the Executive Board of the Rail Conference shall make a recommendation
17 thereon, which shall be final and binding.

18 D. Seniority Districts

19 (i) Should it be, in the judgment of the officers assigned and the general chairmen, in the best
20 interest of the members affected as a result of a merger, etc., to consolidate and/or merge a
21 seniority district or districts, the general chairman must meet and consult with the affected
22 divisions' local chairmen to work out a merger of the old districts and seniority rosters into a new
23 district and merged roster.

24 In the preparation of seniority rosters to cover the seniority districts on an equitable basis, the
25 general chairman shall request the railway to furnish promptly to him all statistical information
26 such as - but not limited to - number of trains, car miles, train miles, and yard engine hours
27 and/or inbound car count for use in determining what method will be used in the merging of the
28 seniority districts.

29 (ii) Should the general chairman and affected local chairmen fail to agree, the matter shall be
30 referred to the Rail Conference President, who shall make an investigation within thirty (30) days,
31 after which the Executive Board of the Rail Conference shall make a determination which shall be
32 final and binding.

33 2. Employees Protection Requirements

34 (i) When officers of the Rail Conference and GCAs are confronted with conditions affecting
35 employees of railways involved in mergers, etc., all such employees shall be considered as being
36 adversely affected; and the officers, in recognition of rearrangement of existing contracts,
37 seniority equities and/or districts, general committees and divisions, shall first give full
38 recognition to negotiating implementing agreements with the railway or railways to provide
39 protection for all employees involved as follows:

40 (a) Guaranteed earnings and employment.

41 (b) Preservation of working agreements and conditions, except as may be revised or changed by
42 the implementing agreements.

43 (c) Preservation of the rights and equities of all employees.

- 1 (d) Protection against any loss or expense incurred by the necessity of an employee
2 moving/traveling from his established residence or terminal.
- 3 (e) Extension of the protection afforded all employees to cover full-time or part-time officers of
4 the Rail Conference and its subordinate committees as well as members serving in temporary
5 capacities.
- 6 (f) Separation allowances on the basis of seniority selections for those employees desiring to
7 retire or separate their employment relationship subsequent to the effective date of the
8 implementing agreement.
- 9 (ii) To insure appropriate handling of proposed mergers, etc., should any provision of the TCRC
10 Bylaws conflict with application of this Section 30 (a), the provisions of this section shall
11 prevail.

SECTION 31 OTHER MERGERS, ETC. ON TWO OR MORE RAILWAYS

- 12 a) Whenever one (1) railway or any portion thereof is absorbed, traffic diverted, consolidated, merged,
13 leased or coordinated by, to or with another railway or any portion thereof, and the officers of the Rail
14 Conference and GCAs are unable to obtain protective agreements in their judgment satisfying the
15 requirements of Section 30(a)(2) – TCRC GCA Rules, the employees on the railway or railways or any
16 portion thereof affected thereby shall retain their right and seniority as heretofore on the railways
17 absorbed, traffic diverted, consolidated, merged, leased or coordinated; but the runs shall be manned
18 by the engineers of the respective roads in proportion, as near as practicable, to the car miles or train
19 miles in road service and to the engine hours or inbound car count in yard service on the territory
20 involved on each railway. Such count of car miles or train miles in road service and of engine hours or
21 inbound car count in yard service shall be compiled for a period of not less than six (6) months nor
22 more than one (1) year. Such test period shall be established at a time agreed upon, sufficiently prior
23 to the effective date of any of the conditions specified in this section to give a fair and equitable
24 representation of normal business handled by each district involved. The figures determined for each
25 month of the aforementioned test period will be supplied to each division involved prior to the
26 consummation of any agreement establishing a distribution of work.
- 27 b) When GCAs are unable to agree upon a settlement of questions arising covered by the foregoing, they
28 will submit a joint statement setting forth their contentions regarding same, with all the facts in the
29 premises, to the Rail Conference President who, after making a thorough investigation, is authorized,
30 in conjunction with the Executive Board, to render a decision which shall be final and binding.
- 31 c) In the event that the GCAs do not meet within sixty (60) days from the time that the merger,
32 coordination, etc., took place, the Rail Conference President will be empowered to order the GCA 's
33 involved to meet at once and settle the question in dispute within thirty (30) days from the time the
34 sixty (60)-day limit expires.
- 35 d) Any division involved, if dissatisfied with the decision of the officer assigned and general chairman
36 with respect to the method to be used for dividing the work, may appeal to the Executive Board of the
37 Rail Conference within sixty (60) days following the issuance of that decision. The Executive Board,
38 after making an investigation of the controversy, shall render a decision which shall be final and
39 binding.

SECTION 32 TRAFFIC MERGED, ETC., ON ONE RAILWAY

- 40 a) Where any portion or portions of any railway is or are by any means absorbed, consolidated, merged,
41 or coordinated with any other portion or portions of the same railway, or any portion of the same
42 railway is abandoned, the employees affected thereby shall retain their seniority as heretofore on the
43 portion or portions of the railway which has or have been so absorbed, consolidated, merged or
44 coordinated, or from which traffic has been so diverted.

- 1 b) Whenever the events referred to in the foregoing subsection have occurred and it becomes necessary
 2 to readjust the service, the runs shall be manned by the employees of the respective portions of the
 3 road in proportion, as near as practicable, to the car miles or train miles in road service and to the
 4 engine hours or inbound car count in yard service on the territory involved. Such count of car miles or
 5 train miles in road service and of engine hours or inbound cars in yard service shall be compiled for a
 6 period of not less than six (6) months nor more than one (1) year. Such test period shall be
 7 established at a time agreed upon, sufficiently prior to the effective date of any of the conditions
 8 specified in this section to give a fair and equitable representation of normal business handled by each
 9 district involved. The figures determined for each month of the aforementioned test period will be
 10 supplied to each division involved prior to the consummation of any agreement establishing a
 11 distribution of work. The respective local committees of adjustment or local chairmen representing the
 12 groups of the affected employees, unless a proper adjustment of the question has been reached, will
 13 meet within thirty (30) days after the question of such rights to runs has been raised by either of such
 14 local committees or local chairmen, unless further time, not exceeding an additional thirty (30) days, is
 15 mutually agreed upon by such local committees, and will endeavour to agree upon which of the above
 16 factors shall be used for measuring the service and upon the precise period of time within the
 17 foregoing range. If such agreement cannot be reached, the question of which of the above-mentioned
 18 alternative factors for such tests and the duration of the test period will be determined; said factors
 19 shall be considered to afford a suitable basis for an equitable division of the normal business handled
 20 by each territory between the employees involved.
- 21 c) Any division involved in the controversy, if dissatisfied with the decision of the general chairman on the
 22 methods to be used for dividing the work, may appeal in accordance with the provisions of Section 25
 23 – TCRC GCA Rules.

SECTION 33

STATUTE OF LIMITATION

- 24 A statute of limitation of sixty (60) days is hereby fixed within which to take up or appeal any case of
 25 seniority, subject to appeal in accordance with Section 31– TCRC Division Rules.

SECTION 34

REPRESENTATION, ESTABLISHMENT OF SENIORITY AND MILEAGE REGULATIONS

 27 the Rail Conference shall be vested in the regularly constituted GCA of the Rail Conference.
- 28 b) GCAs shall be free to incorporate into the respective schedules such rules, as they may deem advisable
 29 to govern the hiring of railway employees under their jurisdiction.
- 30 c) When the members of a division take a vote on regulation of mileage, only members possessing
 31 seniority in the craft to be regulated will be permitted to vote.
- 32 ~~d) A five (5) day workweek agreement for yard engineers cannot be placed into effect on any railroad
 33 until a referendum vote is taken and a majority of the active members voting approve.~~
- 34 ~~A separate seniority district (with or without a separate working agreement) may place a five (5) day
 35 workweek agreement into effect for yard engineers on said seniority district only if approved by a
 36 majority of active members casting a ballot in a referendum vote of members of said seniority district.
 37 (Covered by appropriate memorandum of agreement covering and confined to the affected territory.)~~
- 38 ed) All GCAs shall make an effort to have included in their schedules a rule providing for the inclusion of
 39 a training program for their members.
- 40 fe) No GCA shall place a compulsory retirement into effect on any railway or seniority district until a
 41 referendum vote is taken and the majority of the members in active service casting a ballot on the
 42 railway or seniority district approve.

SECTION 35**DIVISION REFUSING TO SUSTAIN COMMITTEE**

1 Should a division on any system refuse to sustain an action of the GCA of the system or to enforce the
 2 laws passed by the Rail Conference, it shall be the duty of the members of the committee from the
 3 division to make a written statement of the fact concerning the refusal to the chairman of the GCA, who
 4 shall submit the same to the Rail Conference President, for his review and recommendation to the
 5 General Executive Board of the IBT, which is empowered to suspend the charter.

SECTION 36**DIVISION REFUSING TO TAKE VOTE**

- 6 a) Should any division refuse or neglect to take a vote of its members when ordered to do so by the GCA,
 7 it shall be considered a refusal to sustain the action of the GCA and shall be dealt with according to
 8 Section 35 of the TCRC GCA Rules; and any member of the committee failing to report to the general
 9 chairman of the committee as per Section 35 shall be dealt with by the GCA as per Section 22(b) –
 10 TCRC GCA Rules.
- 11 b) Unless otherwise provided, all expenses incurred in taking a vote shall be borne by the division.

SECTION 37**AGREEMENTS GOVERNING RATES OF
PAY ON ALL KINDS OF POWER**

 13 pay and to continue the service of a locomotive engineer and motorman in the operation of all railway
 14 motive power.
- 15 b) It shall be the policy of the GCA to secure agreements with railways covering the rules, rates of pay
 16 and working conditions of all operating crafts if, as and when the opportunity presents itself. The
 17 individual GCA shall have full jurisdiction in the matter.

SECTION 38**ATTEMPTING TO REDUCE STANDARD WAGES**

18 Any member who shall attempt, in any manner, to reduce the standard of pay for any Rail Conference
 19 craft, or establish a maximum limit for the same, shall be guilty of violating his obligation, and upon
 20 conviction of same after trial as per Article XIX – IBT Constitution, shall be expelled; this not to apply to
 21 or interfere with legitimate action of GCAs or Rail Conference officers.

- 23 (ii) When a tentative agreement is negotiated or a proffer of arbitration made, the Rail Conference or

 25 and local chairmen. The Rail Conference or GCA will also provide a synopsis of the proposal to each
 26 affected member, along with an instruction sheet, a ballot and a return envelope.
- 27 (iii) Each affected member will return his/her ballot to the Secretary-Treasurer of the Rail Conference
 28 when such ballot is issued by the Rail Conference, or the secretary-treasurer of the GCA when the
 29 ballot is issued by the GCA, within the time period specified, who will tabulate the vote and certify the
 30 results to the Rail Conference President and/or affected general chairman of the GCA. The GCA will
 31 choose a board of tellers to help the secretary-treasurer of the GCA count the ballots.
- 32 b) Before any collective agreement or change of scheduled rules can be agreed to or signed on behalf of
 33 members on a railway system, the proposed terms of settlement must first receive the approval of
 34 each general committee and then the approval of the members by a majority referendum vote. Only
 35 ballots returned shall be counted. A list of the number of "yes" and "no" votes for all individual
 36 divisions must be forwarded to each division within seven (7) days of the counting of votes.

5 Conference it will be considered a violation of said contract on the part of the railway company to open
6 any differences except through the GCA in connection with craft positions.
- 7 b) All GCAs are prohibited from making agreements with the railway managements, the terms of which
8 will conflict with any law or policy adopted by the Rail Conference, without first submitting same to the
9 Rail Conference President who, in conjunction with the Executive Board, will determine proper
10 disposition of the question at issue.

SECTION 41**GRIEVANCES**

- 11 a) Should any member in the employ of a railway company have any grievance against the company,
12 either from meeting with an accident of any kind while in the discharge of his duties, or from any other
13 cause, he shall be required to make out a complete report of the same to his division in writing for the
14 benefit of the committee of adjustment; and the division shall keep such report, together with a copy
15 of the judgment of the company's officials concerning the grievance or accident. The local committee
16 and general committee shall refuse to handle the case unless such a report is made out and signed by
17 the member, providing the member be physically and mentally able to do so.
- 18 b) It shall be unlawful for any member to withdraw his case after having been acted on by the division
19 and referred to the committee of adjustment.
- 20 c) (i) Each and every member of the Rail Conference grants to the duly authorized representative and/or
21 representatives of the Conference (which includes divisions, local chairmen and/or local committees,
22 general chairmen and/or general committees, vice president and/or the Rail Conference President) full
23 and complete authority to present and handle each and every member's claims, complaints and
24 grievances against the railway on which he is employed.
- 25 Said power and authority shall include the handling of such claims, complaints and grievances before
26 any and all officials of the railway, and shall include the right to collect, settle, compromise, amend,

16 by request of a majority of the members of the association.

This Section, entitled "Teamsters Canada Rail Conference Legislative Rules," has to do principally with the operation of the Governmental Affairs and Legislative Boards within the Rail Conference.

The objective is to provide Governmental Affairs, Provincial and Division Representatives with a more direct contact and access to resources. As a result, members will have constant representation and governmental affairs will be addressed as a common effort for the benefit of the membership across Canada.

To set general overall legislative policy for the protection of the locomotive engineer's craft, the protection of associated crafts which form part of the Rail Conference and to ensure the long-term health of the railway industry in Canada and North America.

SECTION 1

PROVINCIAL BOARDS

1 a) Whenever twenty-five percent (25%) of the active membership, or divisions representing twenty-five
2 percent (25%) of the active membership, sign a petition proposing to formulate or merge a provincial
3 legislative board, it will be mandatory upon the Rail Conference President to prepare a ballot with the
4 question worded as presented in the petition, to be voted on by all holding active membership in the
5 Rail Conference within the province. The ballot must be put out by the Rail Conference President
6 within thirty (30) days of the receipt of the request.

7 It will be sent to secretary-treasurers of all divisions, and they will personally see that each person
8 holding active membership has a copy by handing it to the member or by placing in the government
9 mail with a return address thereon.

10 The ballot must be returned and the result tabulated and a copy of the decision mailed to the Rail
11 Conference Office within ninety (90) days from the time the ballots are received from the Rail
12 Conference Office. The results of the vote will be announced by the Rail Conference President to all
13 divisions in the province, and a vote once taken cannot be acted upon again for four (4) years.

14 b) When such a vote shows a majority of the ballots cast by the active membership in the province
15 favouring creation of a provincial legislative board, the legislative representative of the division
16 sponsoring the petition or member sponsoring the petition will select a meeting place and set a date
17 for convening the board. He shall also notify the other divisions in the province to have their
18 legislative representative present.

19 c) The legislative representative from the division issuing the call or the member initiating the petition
20 may act as chairman of the board until officers herein provided for are elected. Any board thus
21 formed shall be deemed to be an active legislative board.

22 d) At every meeting of a legally organized provincial legislative board, each division in the province
23 having twelve (12) or more assessable members may be represented by a delegate. However, by a
24 vote of the division, any division in the province may be represented by proxy. Such vote will
25 designate the seated delegate who is to exercise such proxy.

26 e) After a board is formed and convened by notice from the chairman through the secretary-treasurer,
27 the secretary-treasurer of each division shall at once acknowledge receipt of same and send the
28 number of assessable members of his division to the secretary-treasurer of the legislative board.

29 f) When the provincial legislative board has been convened, it will proceed to elect a chairman, first vice-
30 chairman, second vice-chairman, secretary-treasurer, alternate secretary-treasurer, an executive
31 committee (not to exceed five (5) members), and three (3) trustees (an audit committee not to
32 include the chairman or secretary-treasurer). A provincial legislative representative may be elected
33 when provided for in the bylaws of the board. The candidate receiving the highest number of votes
34 shall be declared elected if eligible. Should an equal number of votes have been cast for two (2) or
35 more members for any one (1) office, a second ballot, and if necessary a third ballot will be cast. If
36 after the third ballot a tie still exists, the tie shall be decided by lot. Should any office become vacant,
37 it will be the duty of the executive committee to fill such vacancy. The chairman and secretary-
38 treasurer cannot be members of the audit committee.

39 NOTE: Eligibility to nominate, second and run for office will be determined by the applicable provisions
40 of the IBT Constitution as set forth and modified in Paragraph 6.8 of the Merger Agreement.

41 g) Whenever twenty-five percent (25%) of the active membership, or divisions representing twenty-five
42 percent (25%) of the active membership, sign a petition proposing to abolish a provincial legislative
